and Table of Results

The Millersville Annual Dog Show was this past weekend and they got a remarkable turnout this year. Not only did they have contestants in most breed categories, but they had some qualify for national marks. Like any other show, there were the inevitable crisis situations but all were relatively minor, and as well the show had its share of humorous situations. The highlight of the event was the awarding of the Best in Show ribbons. As it happens, four places were awarded and each went to a different dog breed. Determine the name of each Best in Show dog's owner, the name and breed of each of the winning dogs, and the place award each dog won.

1. Daisy was the greyhound's name. Sampson wasn't awarded second place.
2. The beagle placed lower than Daisy but higher than Eric's dog.
3. Fred's dog, which wasn't a greyhound, was awarded first place.
4. Barbara's dog wasn't called Munchkin.
5. The Dalmatian placed fourth.
6. In no particular order, the four winning dogs were the dog named Whiskers, Marcia's dog, the dog who won third place, and the collie.

Name	Dog's Name	Dog's Breed	Place Won
