

**Answer:** Yes, timing five minutes is a snap.

**Here's how:** Flip and start both timers at the same time. When the 3 minute timer ends turn it over quickly until the 4 minute timer ends. Then, turn the three minute timer over again to add the 1 minute needed to measure 5 minutes.

**Visual Bonus — Do Not Turn Card Over**

**Bonus:** Is the sorceress' beauty mark on her left cheek or her right cheek?

**Answer:** Her left cheek.
