

Answer: The Gazette has 20 pages.

Here's how: Page 5 represents the third sheet into the paper, and therefore the third sheet from the end. Observing the 15 on the inside of the sheet allows you to imagine the "16", then skip two down to the "18" and the "20".

Visual Bonus — Do Not Turn Card Over

Bonus: What great Binary Arts brainteaser puzzle is illustrated on page five?

Answer: TripleCross™ The world's best sliding block puzzle!
